Subject: Ayrshire Joint Structure Plan 2025

For the attention of Ian Johnson

In response to your letter advising us of the the timetable of the replacement Structure Plan I wish to make the following views:

It would be appreciated that General Aviation issues are given full consideration, having regard to advice embodied in paragraphs 67 to 69 of NPPG 17 Transport and Planning. A draft form of policy can be provided, which has been used by a number of Authorities throughout the UK.

Please do not hesitate to contact me if you have any queries or require additional information at this stage.

Please note that the address to send correspondence is

General Aviation Awareness Council
